The Conrad Prebys Foundation Name

The Conrad Prebys Foundation brand starts with our name. Consistency in how we refer to the Foundation’s name strengthens our brand and provides clear reference for our audiences. The preferred name is “The Conrad Prebys Foundation.”

“The Conrad Prebys Foundation” must be used on first reference. On second and subsequent reference, “the Foundation” may be used. The name should never appear simply as “Prebys Foundation,” nor should an acronym, such as “TCPF” be used.

Additionally, when referring to Conrad Prebys, please use “Conrad Prebys” on first reference and “Mr. Prebys” on second reference. Avoid using “Conrad” alone, except for in direct quotes.
